

BGTaxForms

Tax forms can be complicated and difficult to understand. With over six decades of real industry experience, we can help. BG Tax Forms is an extension of Beene Garter that will provide even more business solutions with the same commitment to service that you have come to expect.

Industry Expertise

Our industry experts are available to answer your questions and can help you understand which W-2 and/or 1099 Form should be filed, who needs to file them and why. If you're not sure which form you need to file, we are. We can even help you determine which products are compatible with your company's current software program.

Compliance Guarantee

Our products are guaranteed to be compliant with federal requirements. Because we believe in open and honest communication with our clients, our team will inform you of any changes that have been made and send you replacement products at no additional cost.

Fast Delivery

With several shipping hubs throughout the United States, we can guarantee that your order will ship within 24 hours of being placed.

Sustainability

Our tax forms are printed on Sustainable Forest Initiative (SFI) paper. This paper produces a smaller carbon footprint and is part of our ongoing commitment to the environment.

Same Product. Lower Price.

We can offer the same tax forms and checks you currently buy at a lower price. So why pay a premium? For example, our price for 1,000 laser tax forms is more than 20% less than the competition.

| EXAMPLE | OUR PRICE | THEIR PRICE* | YOUR SAVINGS |
|-----------------------|-----------|--------------|--------------|
| 1,000 Laser Tax Forms | \$94.50 | \$127.00 | \$32.50 |
| 1,000 Envelopes | \$154.70 | \$177.00 | \$22.30 |

eFiling Services

BG Tax Forms also offers electronic filing and complete fulfillment services to help with W-2 and 1099 processing. Our service is perfect for businesses who need to prepare 1 to 10,000 W-2 and/or 1099 forms.

Our service includes the electronic filing of the federal copy, printing and mailing of the recipient copies, and an

electronic file copy for your records. You can import data from your accounting software or enter data on a screen that looks just like the 1099 or W-2 Form. After you have entered the data, you can review and edit information, preview forms, and submit after approval.

We eFile 1099 Forms with the IRS and W-2 Forms with the SSA immediately after you submit them, print and mail each recipient their form to attach to their tax returns for their records, provide you a file copy electronically, and email you a confirmation. It is a complete paperless solution!
